

April 23-26, 2018 | New Orleans, LA

The RCAP National Training Conference is an annual conference for technical assistance providers in the water/wastewater field. Leaders in the field from across the country gather to present on best practices, innovative solutions, and effective collaborations happening in and around the water industry. This conference is the premier rural focused educational forum for participants to learn about new training opportunities and the latest innovative tools around water and wastewater.
