

We invite everyone interested in learning more about Geographic Information Systems (GIS) and Global Positioning System (GPS) equipment, and how these can be implemented to help small utilities.

Our class will cover:

- ◆ **Basic concepts & terminology for GIS**
- ◆ **Uses and benefits for utilities**
- ◆ **Hardware and software available**
- ◆ **GPS technology**
- ◆ **Steps in implementing a program**
- ◆ **Procuring equipment and services**
- ◆ **Resulting data, inventory and maps**
- ◆ **Mobile device applications**
- ◆ **How to pay for it**

*DEADLINE FOR REGISTRATION IS
FRIDAY BEFORE TRAINING*

Approved for 5 Contact Hours

The Rural Community Assistance Program (RCAP) is part of a nation-wide network of agencies providing technical assistance and training to help small and rural communities develop and improve water and sewer utilities. RCAP also provides a number of other community and economic development, grant writing and administration, and planning services. RCAP is administered by WSOS Community Action Commission Inc., a 501 (c)3 non-profit community action agency based in Fremont, Ohio. To learn more, please visit www.wsos.org and www.ohrcap.org.

**8:30 AM
Registration Opens**

**9:00 AM - 3:45 PM
Training**

Lunch on your own.
